

AFTER THE FLOOD WATERS RECEDE

A Webinar on Understanding River Dynamics & Avoiding the Negative Impacts of Flooding

Presented by

Date: Thursday, November 3, 2011 - 1:00 to 5:30 p.m.

Location: Idaho Department of Fish and Game
99 Highway 93 North, Salmon, ID

Fee: \$15 per attendee

Register: Online at www.salmonvalley.org

Click on the 'Donate Online' button, type 'Flood Webinar' under Comments
Registrants can also pay at the door, checks payable to SVS

- Learn about river system dynamics and how these processes affect communities, rural landscapes and rivers
- Hear case studies from Montana demonstrating how our community can plan and respond to flood events
- Applicable to riverfront landowners, municipal planners, realtors, conservation professionals and YOU!
